

# Looking to volunteer?

**We are recruiting 10 digital support volunteers  
to help local people manage online**

Build confidence • Help your local community • Get into work • Make new friends

**Next training course starting in September**

Volunteering may include showing people how to use the internet to find information, how to set up and use email, apply for work and complete online forms.

## Who can apply?

You don't need to be an IT expert, just someone who already uses the internet and wants to help others. Digital support volunteers will support people at community venues throughout North Manchester.

## What's in it for me?

- Meet new people and make new friends
- Build confidence and learn new skills
- Gain work experience

**(85% of our previous volunteers are now in work)**

- Access great training opportunities
- Travel expenses
